------------------	----------

Due to increased liability and the potential for accidents during closing, our insurance does not permit early tear-down. Early tear-down will result in notification to the exhibiting company's parent office. Attendees at the EGCR anticipate enjoying the exhibits during the posted open times and our responsibility is to give our customers the best experience possible during that time.

Please note these important rules:

- Vendor booths must be staffed at all times when the exhibit hall is open to the public
- All exhibitors must register as an exhibitor attendee at the Roundtable. Note that this rule will be strictly enforced
- All decisions of the Exhibits Committee are final.
